

is required to make at least two baskets. We need parents to volunteer to help by asking businesses for donations and to help in any way you can. With everyone working together this event can be a HUGH success. We have the letters that you can give them explaining this event.

Now that the cooler weather is here, all students should be wearing their proper uniform at all times. This means everyone should have his or her vest in school and wearing it. Names should be on all clothing. This includes the vest and gym clothes. It makes it easier to find the body that goes with the loose clothing. Also the uniforms should be from Flynn O'Hara and not from other companies or stores.

Our school is participating in the Big G cereal box top programs for education. Please, send these items to school, with your child, whenever you have them.

Parents are reminded that whenever your child comes in late or leaves the school early you must come into the office and sign your child in/out on the notebook located in the first room of the office. Also each time your child is late or absent you must send a written excuse to the teacher or your child is considered illegally absent and that is what goes into the attendance register.

Tuesday, Nov. 7th is Election Day. It is our right, as Americans, to vote.

May God bless each of you and have a blessed Thanksgiving.

PS If you still have candy out or money that hasn't been turned in try to finish it and turn it in so we can close out the fundraiser.
Thank you for your help.

Sincerely,

Sr. M. Elizabeth Domin
Principal
