

From Sr. Elizabeth Domin, Principal                      April 2,2020

We pray for everyone that they stay safe and healthy.

The teachers were informed to give the students some additional work since we have been put on hold for another two weeks.

**They can take a break since this is supposed to be Easter break until the 20<sup>th</sup>.**

Parents of Lewiston Porter and Grand Island are reminded that the bus requests which were due by April 1<sup>st</sup> have now been pushed ahead to April 15<sup>th</sup> and there will be NO further extensions according to the state. If you need another copy send me an email and I will send you another copy.

**REGISTRATION FOR PRE-K AND RE-REGISTRATION  
FOR K DGN. TO 3<sup>RD</sup> GRADE**

We are looking at the ordering of books for 2020-2021. There are students who had yet to turn in the forms before the state shut everything down. Parents please fill out the forms (if you need another let me know and I will send it) and mail it to me. **Don't worry about any fees at this time.** We need to send the enrollment to the District to verify that the child belongs to the District.

Have a BLESSED EASTER, we hope to see everyone very soon.

God bless,

Sr. Elizabeth Domin  
Principal
