Dear Parents:

One month has passed already since we reopened our school. With the Covid 19 crisis, we are still taking every safety measure to stay healthy and safe. We encourage our students, parents, and teachers to continue to do what it takes to ensure the good health of all. Please, wear your mask whenever it is necessary for you to enter the building and maintain social distance as well.

As part of precautionary measures, we would appreciate that if your child has cough, runny nose or constant sneezing, please keep him/her home for at least 48 hours to make sure it clears off before returning back to school.

As some of you already know, Sr. Elizabeth took ill since this past week due to stroke and was hospitalized at Mercy hospital in Buffalo. As of now, she is at Our Lady of Peace for rehabilitation. Continue your prayers for her for a quick recovery. For the time being, I will be covering for her until she recovers. Please, if you have any question or anything, give us a call before school or after school. In case of emergency or any other serious matter, please feel free to call the school.

In this month of October, dedicated to Our Lady of the Holy Rosary, let us continue to pray through the intercession of our Blessed Mother for the end of this pandemic and protection of all people.

As you know, due to this pandemic, many of our school activities and gatherings have been postponed. We will not have our normal Halloween Party and Parade this month. However, students can dress up in their Halloween costumes on that day.

From October 6th – 8th, our 2nd & 3rd Graders will be taking their ITBS test. Please, help your child to have enough rest and be in school on time so as to achieve to the best of his/her ability on this test.

The school picture will take place in November. More information will be sent home later once the date is scheduled.

Sr. Denise still has some 300 tickets to sell before she begins the drawing. Please check with your friends and co-worker if you can help her sell the tickets.

Thank you to all who have been supporting in various ways.

God bless you all.

Sincerely,

Sr. Grace Dike, SCGR
