Dear Parents and Sacred Heart Families:

With the statewide and county mask mandates set to expire Wednesday, March 2nd, Sacred Heart Villa School will allow the decisions about masking to parents/guardians. Mask wearing in school is optional and it is left for the parents to decide, especially for those who have children with on-going health issues.

As a school, we will continue to maintain a multilayered approach to COVID mitigation of which masks have been a part. Social distancing, ventilation, disinfection, testing, and keeping sick students home should all remain part of our efforts to eradicate COVID.

We'll continue to follow local and state guidance moving forward, hoping that we are moving beyond the pandemic and providing for the needs of all of our students.

Thank you and God bless you.

Sincerely,

Sr. Grace Dike, SCGR
