Dear Parents:

Our school uses the direct payment plans where you pay the tuition and fees directly to the school.

Parents will have the following options for paying the tuition:

- 1. **The tuition can be paid in full by July 1, 2023.**
- 2. **Monthly payments, September 2023 to First week of June 2024.** These payments are due the first week of each month. If this type of plan is chosen and the payments are late then there will be 5% interest added beginning in February and 1% each month thereafter until the entire amount is paid.
- 3. **Three equal installments due September 1, 2023, December 1, 2023 and April 1, 2024.** The installment payments are due within one week of the due date. If this type of plan is chosen and any installment is late then there will be 5% interest added beginning one month after the installment was due and 1% each month thereafter until the late installment and interest is paid in full.

All accounts must be paid in full by June 2, 2024 or the arrears accounts will be turned in for collection. If any accounts are turned over for collection or an attorney the party responsible for paying the account will be liable for all collection agency and /or attorney fees.

Fill out the attached option form, sign it and return it to the school along with the registration form and fee.

If you have any unusual situations (hardship case), please present it in writing to the office and they will be dealt with individually.

Sincerely,

Sr. Grace Dike, SCGR
