Welcome to the Sacred Heart Villa School

Dear Villa Parents:

Welcome! The Sacred Heart Villa (SHV) has celebrated over 50 years in this community! Our sense of commitment to the intellectual, moral, spiritual, and academic values in our students has not wavered. The SHV is a safe setting, with small class sizes where individual attention is paid to each student. The SHV is a place where students of differing cultures and ethnic backgrounds receive a quality educational experience in an environment where they are able to develop their character and strengthen their faith while deepening their sense of responsibility and respect for self and others. We take our goals listed below very seriously, relying on the support of our parents to assist us in achieving them. Thank you for making the commitment to our school, we all look forward to a successful school year.

God Bless You,

Sr. Grace Dike
Principal

Goals

1. The Sacred Heart Villa is a Christian institution which continues to maintain its Catholic identity and remains committed to the teachings of the Catholic Church. We provide an atmosphere where learning and growth takes place through spiritual, academic and social experiences.
2. We strive to nurture the value of loyalty and service to our Faith and Country; our Neighbor and Ourselves.
3. We encourage respect and understanding for people of all races, creeds, economic and social backgrounds.
4. We assist students to develop study habits which will promote a better understanding of subject matter needed by our children to live productive lives in our technological society.
5. We promote physical fitness and habits that will build and maintain good health and positive work habits.
6. We strive for academic excellence fostered by the personalized education afforded by a low teacher-to-student classroom ratio.

Sacred Heart Villa School Mission & Philosophy

At the Sacred Heart Villa School, our mission is to “Teach as Jesus did.” This is based on fellowship and the life of the spirit.

We are committed to respect the life and dignity of each person because each person is sacred and unique in the eyes of God.

Central to the goal of Sacred Heart Villa School is that high achievement and a quality elementary education with a holistic curriculum, taught in a traditional environment, is the essential foundation for a student’s success in higher education.

As Catholic educators, we strive to generate in our students a love of God, a commitment to the teaching of the Gospel, and a wholesome desire to serve the people of God in the Community in which we live.

This is done through religious guidance which is integrated throughout the curriculum and school activities.

We strive to create a learning atmosphere where each student has the opportunity to reach his/her highest academic potential while, at the same time, growing spiritually in Christian love.

Restorative Practices Approach on Conflict Resolution

The teachers took a course on the Restorative Practices, an approach that focuses on community and conflict resolution strategies that prioritize building relationships and mutual understanding over punishment and retribution.

It is a community-oriented approach to discipline intended to create a positive, respectful, and inclusive school environment. It provides a practical insight on how to help students and teachers work through behavioral issues together. Students learn how to be better members of the community, ‘manage their stimuli,’ and develop the ‘social skills to mediate conflicts, thus turning behaviors into learning opportunities.

(Better Than Carrots or Sticks: Restorative Practices for Creating Respectful Classrooms by Dominique Smith, Douglas Fisher, and Nancy Frey).

We intend to begin with one of the strategies known as classroom circles (formal circles), which is a process of resolving conflicts by addressing issues that affect the learning community; it could be playground confrontations, student cheating schemes, or any behavioral issues that provoke strong reactions among students and teachers alike. It is a step-by step implementation as we move along.

Villa Expectations

In order to make Sacred Heart Villa School a safe environment for learning the following guidelines have been established. We need all parents and students to be aware of these guidelines. We ask parents to discuss them with their children.

1. Children will accept responsibility for their own learning and behavior.

Children will attend school regularly and arrive on time.

Children will be prepared-all materials and homework, no students will be allowed to call home for forgotten homework.

Students will stay on task, listening and following directions.

Children will not bring gum, candy or toys without permission of the teacher.

Toys include: gameboys, and cell phones. These may be confiscated and returned at the end of the year.

Shoes with wheels in the heels may not be worn in the school at any time.

2. Students will act with respect and consideration for themselves and others.

Keep hands, feet and person to self

Come to school to learn

Follow directions the first time given

Use appropriate manners with everyone

Listen when others are talking

Bad language, gestures or name-calling

Pushing in line

Throwing objects at anyone

Bullying (verbal or physical) will NOT be tolerated.

THANK YOU

I'M SORRY

PLEASE

EXCUSE ME

3. Children will listen to adults and treat them with respect.

Listen the first time

All adults will be addressed by proper name or title

When an adult speaks, children will listen and respond

4. Children will have respect for school materials and facilities.

Take pride in your work; neatness and appearance count

Write on paper only

Handle books the correct way

Garbage in the cans

Proper use of the lavatories

Pick up things on the floor

Walk in the hallway

Enter and leave the building quietly

Children should observe and follow good hygiene habits.

Children will act properly in the chapel - it is God's house!

Please Be Respectful!

Security in Our School

The New York State Homeland Security System has five main codes and each has sub-levels of recommended actions that schools must take when notified of a change.

The Levels are:

Low - Guarded - Elevated - High - Severe

The recommended actions are guidelines. The final decisions rest with school authorities based on the situation at hand. We are also establishing a plan with the Town of Lewiston authorities in the case of an emergency.

Our school doors are locked once students are in the building and the school day begins. Access to the building after doors are secured is by the way of the front door, by ringing the doorbell.

It is imperative that the school office has accurate telephone numbers, including any and all emergency contacts for each child. In an emergency if information is not accurate - the school and faculty are not responsible and may be forced to contact Police to locate parents/guardians!

If it should become necessary for students to be sent home they would be released to parents or "known" emergency pickup persons. In an emergency, **NO STUDENTS** would be sent home on the buses!

Visitors to Our School

All parents or visitors to our school should first sign in at the front door upon entering the building and sign out upon leaving. **If a student comes in after 9 am or needs to leave the building before 3 pm, he/she must be signed in or out by the parent or guardian present. There is a binder on the front door table for that purpose.** *Please call and notify the school office in advance if your child must leave the school early for a doctors appointment or family reasons and provide a written excuse, otherwise it will be marked as unexcused absence. If your child comes to school after 9am it will be recorded as tardy in the attendance record.*

Zero Tolerance Policy

We have a zero tolerance policy in that we will not tolerate or ignore threats of violence against school faculty/students. **At no time may a student or parent bring a weapon on school property (this includes toy weapons.)**

Any type of drug or alcohol is not allowed in the school. It is State Law that no alcoholic beverages be used by anyone at any school authorized event. This includes sports functions or school events.

Cellphones: Students are not allowed cellphones in school. If cellphones are found, they will be confiscated. The cellphone will be returned to the parent. If the incident happens again, the cellphone will be confiscated and returned in June, after school ends. Students who refuse to delete photos taken at school from **any device with a camera** face confiscation of such device and possible more serious consequences, if repeated.

Each case will be handled separately and if warranted, violators could face suspension, which could lead to expulsion pending further investigation.

Attendance Requirements*

- * There are new NYS Requirements that must be adhered to and require careful record keeping by the school.

A copy of the NYS attendance policy is available in the school office.

Parents should make every effort to have their child in school, rested and ready for work to be successful.

Attendance Policy

It is expected that students will attend school daily and punctually, unless there is a serious reason.

Excused Absences

Student illness
Family illness
Attendance at health examination/diagnostic/
treatment appointment
Death in family (family bereavement)
Quarantine
Required court appearances
Impassable road due to inclement weather
Religious observance
Unavailability of transportation due to school
district bus tardiness/delay

Unexcused Absence

Oversleeping,
Family vacation,
Baby-sitting,
Visiting relatives
Death of a pet

**NOTE: A student will NOT
be promoted to the next grade
if absences are more than 20 days!**

Our Policy on Absences (applies to Kindergarten - Grade 4):

- 1) If your child has been absent an unusual amount of time, a phone call will be made to parents followed by a warning letter.
- 2) If your child continues to be absent and the absences are more than **twenty days** (without a valid medical reason) we will not hesitate to consider this educational neglect and will contact the appropriate agency.

- * **Call the school between 8:00am and 8:30am if your child will be absent that day**
- * **Send in a written excuse within two days when your child returns to school**
- * An absence without a written excuse will be considered an unexcused absence.
- * If a medical appointment is necessary during the school day and the child will report to school when finished, please send in a written note **the day before** the appointment so that the child will not be charged with an absence or tardiness.
- * If a child must leave school early for an appointment, a written note must be presented to the school office. The child will wait in the office until an adult picks him/her up. The student must then be signed out in the official book located at the front entrance.
- * If there is work to be made up it is the parent's responsibility to call the school early in the day and make arrangements for the work to be sent home with another student or be picked up from the school.

Our Policy on Tardiness (applies to Kindergarten - Grade 4):

- * **When your child is tardy, (arriving after 9am) they are to report WITH A PARENT to the office before going to their classroom.**
- * **A written note must be sent to the school with an explanation for tardiness.**
- * **Parents will be contacted by phone or email in instances of recurring tardiness.**

Emergency Contact Numbers

It is extremely important that we have an up-to-date address and working telephone number and **email address*** in the school office. Notify the school immediately if you have a change of address or telephone number. Each student should have an emergency contact number on record with the school.

*** NEW!!**

Failure to have accurate information on file releases the school of any responsibility in the event of an emergency. In an emergency if information is not accurate - the school and faculty are not responsible and may be forced to contact Police to locate parents/guardians!

Custody of Children

New York State now has a policy that all parents that have sole/joint custody must leave a court-certified copy of their custody agreement on file at the school. Please alert the school if your child should not be released to a parent or grandparent without your permission. Written permission is required whenever a student is to be released to someone other than their regular transportation.

School Closings

If schools must be closed because of bad weather or other emergencies, parents and students will be notified in the early morning, or if possible, the evening before by our facebook page, website, radio and television announcements. Notified stations are: **WBEN AM 930, WGRZ-TV, WIVB-TV, WKBW-TV** **check their closings online.**

We close whenever the Lewiston-Porter School District closes for weather.

Other emergencies are on a school basis.

If schools are closed in the morning, they are closed all day for all activities including evening classes or special evening programs unless otherwise announced. Please make arrangements for your child's care if such an emergency should arise. There may be a time when it will be necessary to dismiss children early. **Therefore, the school will need to know where your child should go in the event there is no one at home.**

Arrival / Dismissal

Parents should come into the building on the first day of school to get the student situated into his/her class.

For safety reasons, only the students in the Pre-K3 classroom will use the school entrance door that faces the south parking lot since their classroom has been moved to our former Kindergarten classroom. The rest of the students will use the main entrance door in the front facing the parking lot. Parents are welcomed to accompany their children to their new classrooms on the first day of school. However, for safety reasons, we kindly ask the parents to drop off their child/children at the entrance door for the rest of the school year. There will be teachers to welcome the children in both school entrances.

Please be aware that buses from two districts will also be using the North parking lot for arrival and dismissal. When there is a stopped school bus with flashing lights you are required to stop in either direction.

Bus riders are to line up in the assigned area daily. Students are expected to behave on the bus, the driver is in charge and his/her rules are to be followed. Students who do not obey risk loss of the privilege of riding the bus. If a student misses the bus, it becomes the responsibility of the parent to pick up the child or to bring the child to school. Buses are on a schedule and are not able to make return trips.

Students who transfer to the shuttle must obey the rules of the monitor at the transfer location. They are to use proper language and behave respectfully toward other students and persons in authority. Those in charge of the transfer station have the right to take away the privilege of the student's transportation. Should a student lose bus privileges, the parent will be responsible for transportation.

If your child is driven in the morning, but requires bus transportation in the afternoon (Or vice versa) - please make arrangements with the bus company. Parents also need to notify the school district of this as well.

Parents are asked not to come into the school at the time of dismissal. We encourage the lesson in responsibility for the student to walk safely to the parent's car. Parents please drive with caution - as the parking lot is busy with children!!!

School Health Office

When a child must take any medication during school hours, parents must submit a **written request** to the school health office accompanied by a **written request** from the family health care provider. The request must contain the name of the medication, the frequency and the dosage of a prescribed medication for the school nurse to administer during school hours. The health office has these forms available upon request. **All medication must be brought to the school health office/clinic in its original container by the parent or guardian....NEVER BY THE CHILD.**

Individual health records are kept on file for each child. These records show any allergies and communicable diseases. The school should be notified of any allergies or diseases that your child has. These records also include results of physical exams and checks on hearing/vision.

Please review the page on Vaccination Requirements on Page

Children attending Pre-kindergarten must have a physical examination by their primary care physician before they can be admitted to school. Parents with questions regarding requirements for physical examinations and immunizations can call the school health office or the District health services office at 286 0794. New York State law mandates that school physicals be given to students in grades Pre-K, K, 2, 4, 6 and special education students and new entrants. (see attachment)

If your child had a physical exam after May 1, or if you prefer to have your family health care provider complete the exam, please have him or her complete the physical examination form and return it to the school office. Each student should also have an updated health history. Please complete one for this school year and return it to the health office. The information is used to update health history and current phone numbers.

Please make sure we have emergency phone numbers on file so we can contact you if your child becomes ill or has an accident. Health history and physical forms are available in the health office.

Please be aware that should your child be injured or become ill while at school, it is the parents' responsibility to pick the child up or designate a responsible adult to do so.

Now that school is in session, the nuisance of head lice among children may appear. Head lice infestations continue to be a problem in our community. Lice are highly communicable and difficult to prevent, but if every parent will take responsibility to "check a head" and screen the entire family often, these parasites can be detected early and controlled. Any student found to have lice or nits will be excluded immediately from school. No child will be allowed to return to school until he or she has been shampooed with an insecticide shampoo which kills lice and nits **and until all nits are removed from the hair**. Each child must be inspected by the school nurse before being readmitted to school

Please notify the school if your child is diagnosed with strep throat or has chicken pox. Upon your child's return to school, the nurse must check the child and all chicken pox scabs must be dry and healed.

NYS Vaccination Requirements

On June 13, 2019, Gov. Andrew Cuomo signed legislation removing nonmedical exemptions from school vaccination requirements.

Vaccines required for day care, pre-K, and school attendance:

Diphtheria and Tetanus toxoid-containing vaccine and Pertussis vaccine (Dtap/DTP/Tdap)

Hepatitis B vaccine

Measles, Mumps and Rubella vaccine (MMR)

Polio vaccine (IPV/OPV)

Varicella (Chickenpox) vaccine

Meningococcal conjugate vaccine (MenACWY)

Haemophilus influenzae type b conjugate vaccine (HiB)

Pneumococcal Conjugate vaccine (PCV)

Important vaccination deadlines - NYS

Within 14 days of the first day of school or day care – children must receive the first age-appropriate dose in each immunization series to attend or remain in school or day care.

Within 30 days after the first day of school or day care – parents or guardians must show that they have appointments for the next required follow-up doses for their child. Deadlines for follow-up doses depend on the vaccine.

Health Examination Certifications are required by NYS to be on file in the Health Office within 30 days of entrance into school.

Telephone Calls

Students are not permitted to use the telephone during the day. Parents wishing to contact the school or a teacher are asked to do so after school hours (3pm). Telephone calls made to the school during the day should be for emergency purposes only.

No cellphones are allowed in the school!

You can email or send a text message to your child's teacher at 9am or noon, when they check for messages.

Signs of Covid-19

Temperature of 100 degrees F or or higher. Should your child have a temperature they need to be checked by a doctor and a doctor's note is required before the student can return to school.

Fever or chills

Headache

Cough

Shortness of breath or difficulty breathing with no sign of extra activity.

Fatigue

Loss of taste or smell

Sore throat

Congestion or runny nose

Nausea or vomiting and or diarrhea

Flushed cheeks

Rapid or difficulty breathing with no sign of physical activity

Frequent use of the bathroom

Teachers are to watch for these and other signs of illness in children and other staff and to check temperature. If needed the child should be sent to the nurse to be evaluated and if necessary the proper action should be taken. Both students and adults will need a doctor's note before coming back into the school.

We will be keeping you informed on any Covid regulations.

Please follow the CDC and Niagara County Health Dept guidelines, should your child contact or come in contact with someone who has tested positive.

Currently- Masks are optional.

Lunch

Children must bring their own lunch to school. We do not have a free lunch program. Please, prepare lunch for your child/children. Ice cream & Milk are available at \$1.00 each. Pizza is ordered every Friday at a cost of \$2.50 a slice. Please enclose the amount in an envelope with your child's name written on it.

Latch Key Program

Latch Key is available in the AM & PM starting at 7:30 am. The PM session begins at 3:30 and goes to 5:00 pm. The fee is \$5.00 an hour or any part of an hour. For two or more children from the same family the fee is \$4.00 an hour or any part of an hour for each child. After 5:00 pm, Latch Key is \$6.00 an hour or any part of an hour for each child. Latch Key should be paid daily or weekly. Any Latch Key bills that are one month in arrears will incur interest at 5% the first month and 1 % per month on the outstanding balance until the bill is paid in full.

Piano / Voice / Soccer / Karate / Ballet

Piano, Voice, or Piano & Voice is \$20.00 for a ½ hour lesson per week. This is available for Pre-K to 4th Grade.

Karate is available for Pre-K to 4th grade on Fridays at 10 am and the fee is \$40.00.

Ballet is available for Pre-K to 4th grade and the fee is \$30.00. It is once a week on Wednesdays during school hours.

Indoor Spring Soccer is \$25.00 and is open to students in Pre-K to 4th Grade.

Please see the permission slip on extracurricular activities to sign your child(ren) up.

Text Book Care

All textbooks are loaned to students.

The hardcover books DO NOT BELONG to the students, therefore, no markings of any kind, either pencil or ink are to be made in the hard covered books. This includes the music books in the chapel.

All hard covered books are to be covered. If a student damages a book, it is the responsibility of the parent to replace it. Students in grades 1 - 4 will provide their own stretch covers. Books are to be covered at all times or students must replace covers.

Homework/Grading

In order for your child to be prepared for class each day and to do the very best work possible, a certain amount of homework MUST BE DONE!

This may involve studying for a test or reviewing work covered in class. It could also include work not completed in class or assigned to reinforce what was learned in school. There may be class projects to be completed at home.

If a student is absent it is the student's responsibility to make up the work missed. Parents should contact teachers for missed work.

This home study should take place in a quiet atmosphere (without radio, TV or other distracting equipment) and with some supervision. Homework should be done early and before going to extra-curricular activities.

Grades K & 1 about 30 minutes daily (especially Reading and word study)

Grades 2 & 3 about 45 minutes daily

Grade 4 about 1 hour daily

Parents should sign homework and will be notified if a child repeatedly fails to complete assignments.

Standards as passing grades for each grade level set by the Diocese are as follows:

Kindergarten = S

Grades 1 & 2 = D

Grades 3 – 4 = 75%

Final averages are computed as follows for grades 3 – 4:

Grade 3: The final average is the average of the four quarterly marks plus the final exam mark.

Grade 4 : In June, all four quarter marks plus the June exam marks are used to determine a final average in each subject. The State and the Diocese have eliminated the use of 65 for any failing grade. They now recommend the use of the actual grade, no matter how low.

Testing

Testing and Appraisal are an integral part of the teaching and learning process.

Weekly and unit tests are administered as units of work are completed. Final exams are given in June for grades 3 – 4.

Any talking, disruptions or cheating during any test will result in a zero grade for that test.

Tests administered annually include:
ELA and Math Tests for Grades 3- 4.

Parent Conferences/ Report Cards

Report cards are given to parents at the 10 week parent/teacher conference. They are given to the students at the other report card periods and are required to be signed by a parent and returned in the envelope within 48 hours.

Conferences other than those scheduled may be initiated by either the parent or the teacher when it is deemed beneficial. These conferences are by APPOINTMENT ONLY and will be scheduled at a time convenient for both parties.

Parents Make a Difference

Set a good example! Become active in your community, church and school.

Expect your child to do things for the good of the family. Show them that if everyone contributes then everyone will benefit.

Take part in service projects as a family.

Teach your children the importance of fair play. Explain that winning is not everything, but it is more important to take pride in doing your best. Be a leader, not a follower.

Be interested in your child's educational progress. Make sure that homework is completed and turned in.

At least one parent should sign the homework.

PLEASE SIGN UP FOR ACTIVITIES ON THE ACTIVITIES SHEET!

Fund Raising

Sacred Heart Villa, like all other schools, holds fund raisers to help defray the costs associated with running a school. We have three major fund raisers that are mandatory for families to participate in.

Candy Bar Sale – Minimum of 1 box per family (2 for those who wish to sell more.)

Meat Raffle– Minimum of Five tickets per family

Basket Auction – 2 baskets (valued at \$50) per family.

Tables of 10 are available – Villa families are encouraged to fill a table.

****Should your family opt-out of participating in fund raising efforts please send a check for \$300 to cover all three fund raisers.**

Activities

Parents are encouraged to participate in the many activities that we hold at the school. They include: All Saints/ Hallow's Eve Parties, The Children's Christmas Party & Giving Tree, Gym Field Day, and 1 or 2 Field Trips during the year. There are also Masses held on different occasions that parents are always welcome to attend. Mass times vary (dependent upon availability of a priest) in the Villa Chapel.

**By signing a permission slip, you are taking parental responsibility of your child's actions while participating in school events and field trips. This includes being responsible for any actions, injuries or damages caused by your child to himself/herself or others. You are agreeing to hold harmless The Sacred Heart Villa School, The faculty of The Sacred Heart Villa School and The Diocese of Buffalo, as well as any organization or facility where the event is taking place. See the Catholic Diocese of Buffalo's Guidelines for field trips online <https://www.wnycatholicschools.org> (look for field trip forms.)*

Villa Council

Council membership is open to all parents and grandparents of Villa students. The Principal of the school is the Council Chairperson and is responsible for appointing the chair people of the various school activities. Sr. Maryann is the Chairperson for fundraising activities if you are interested in any given activity, please notify her by sending a note into the school office.

Look for posted announcements on Council Meetings.

Technology

At the SHV, we believe in using technology to enhance our academic program and to reinforce the content and skills taught in the classroom. Teachers utilize technologies in the classroom to prepare students for their future careers, differentiate learning, and to acquire technological skills to empower learning. We have received 20 new laptops and 5 chromebooks for students and teachers. Currently we use:

ipads & Chromebooks - Pre-K- 4th Grade

Smart TVs - Pre K & K

G-Suite for Education

Smartboards - 1 - 4th Grades

Computer labs with desktops / laptops

Chromebook Agreement & Care

The Chromebooks and laptops are provided for the educational purpose and the students are to use them with proper care. Each student is responsible to take care of the Chromebook or laptop when they are provided for assignments. Please read the attached and complete the user agreement on the commitment and proper usage of the Chromebooks and Laptops for reference.

In the case of any school closure, (as in the Covid-19 pandemic) students and teachers will use google classroom. Each student received a google e-mail address and password. Please keep these in a safe place for when needed. Also check for announcements and homework assignments from the teachers on this platform. **We also have a new App communication - Classdojo, email and google classroom.**

Academic Support

If your child needs extra help, please contact the school office to discuss options for academic improvement.

Uniforms

All boys and girls should wear their proper uniform with black shoes and white/navy socks to school. On the day we have Mass or special celebration, the girls are to dress up with their jumper, along with white long or short sleeve shirt. The boys should also wear their long pants, along with white long or short sleeve shirt. Proper shoes and uniforms are required AT ALL TIMES. Children failing to come to school in proper uniform will result in a call to parents to bring in the uniform.

On gym day, all students, including Pre-K must come to school with their proper PE uniform. Sneakers are kept in the classroom and must be worn only on gym day and at recess. Sandals, flip-flops, platform or high heels or shoes with wheels are not acceptable at school. We ask all parents to kindly respect this rule.

Wearing the proper uniform will help us maintain a sense of orderliness, which is part of our characteristic at Villa. All orders will be made online by parents using

<https://www.frenchtoast.com/schoolbox/schools/Sacred-Heart-Villa-School-QS4JS4>

French Toast Phone: (314) 771-2224

School Code: QS4JS4

This website is also available through our website at shvilla.org

2024 – 2025 TUITION AND FEES

SACRED HEART VILLA SCHOOL

PRE-K

Full Time (Mon. – Fri. 9am – 3pm) Monthly \$266 \$2,660.0 plus \$70.00 fees.

3 Days (Mon., Wed., & Fri. 9am – 3pm) Monthly \$216 \$2,160.00 plus \$70.00 fees.

The tuition can be paid in monthly installments from August to May. The payments are due the first week of each month. It can also be paid in three equal installments: September, December, and April, or paid in full in one payment due by July 1, 2024. A \$50.00 non-refundable registration fee is due at the time of registration.

KINDERGARTEN – FOURTH GRADE

\$2,255.00 (\$225.50 MONTHLY). PLUS \$100.00 fees for insurance, materials, Art & Computer.

The tuition can be paid in monthly installments from August to May. The payments are due the first week of each month. It can also be paid in three equal installments: September, December, and April, or paid in full in one payment due by July 1, 2024.

Kindergarten: A \$50.00 non-refundable registration fee is due at the time of registration.

Also, any new students pay the \$50.00 non-refundable registration fee.

Students entering grades 1 –5 re-register each year. Forms are sent home in MARCH. At the time of registration, parents will receive a letter stating the options for paying the tuition and fees along with the options form that must be checked, signed and returned along with the registration form. This is your contract with the school for paying the tuition and fees. It is required and is a part of the registration packet.

Family Plan:

For two children from the same family there is a reduction of \$25.00 for each child just once a year.. The third child's tuition is half of which ever tuition applies and the fourth child is free. Fees must be paid for each child. The Diocese of Buffalo has the Bison Children's Scholarship Fund. Forms are available on line at www.bison-fund.com beginning January 1, 2025. The per-application form as well as the re-application form for those who already are getting the scholarship will be done on line. This scholarship is for students from Kindergarten to 8th grade for those who qualify. The drawing will take place in March.
