

Principal's Welcome Message

Dear Sacred Heart Villa Families,

Welcome to a new academic year at Sacred Heart Villa! I extend a warm greeting to all returning families and a special welcome to those joining us for the first time. I hope you had a restful and joyful summer.

I am excited to begin this school year with you and to share the gifts and talents God has entrusted to me. To our new parents: rest assured that your child is entering a safe, loving, and faith-filled environment where each student is welcomed, valued, and recognized as a special child of God. I look forward to meeting you and walking this educational journey together.

Sacred Heart Villa is a private Catholic school operated by the Sisters of the Sacred Heart of Jesus. We offer a nurturing and secure environment with small class sizes, allowing us to provide individual attention to each student. Our mission is to “***Teach as Jesus did,***” guided by fellowship and spiritual growth. We are deeply committed to fostering the intellectual, moral, spiritual, and academic development of our students.

As Catholic educators, we aim to instill in our students a love for God, a dedication to Gospel teachings, and a sincere desire to serve others in the community. We are proud to uphold our Catholic identity and values, helping each child grow in faith, character, and appreciation for the world around them.

We welcome students from diverse cultural and ethnic backgrounds who seek a high-quality education in a supportive environment, one that nurtures character development, strengthens faith, and encourages responsibility and respect for self and others.

Let us work together to uphold the tradition of academic excellence at Sacred Heart Villa by fostering a positive and engaging learning environment, to ensure that every student reaches their full academic potential while growing in Christian love.

As we begin this school year, let us work together to build a strong partnership that fosters a safe, welcoming, and inspiring environment for learning and growth.

Thank you, dear parents, for entrusting us with the education of your children. Please feel free to contact me via email shvillaschool@gmail.com or by calling the school office at (716) 284-8273.

May God bless you and your families throughout the school year.

Sincerely,
Sr. Grace Dike, SCGR
